## Using this spare parts catalogue

### Purpose of this spare parts catalogue

This spare parts catalogue can be used to order individual components and assembly groups for the weapon.

### Target audience for this spare parts catalogue

This spare parts catalogue is intended for trained firearms technicians and administrative personnel.

### Information in the spare parts catalogue

This spare parts catalogue contains all of the information that is necessary to order individual components and assembly groups for the weapon. The contents of this spare parts catalogue have the following meanings:

Information	Meaning
Illustration of individual components	The illustration of individual components is an exploded view showing all parts of the weapon that can be ordered.
Item (Item Number)	The Item Number shows the number of the part in the exploded view. If there is a "--" instead of the Item Number, then the indicated item is not shown in the exploded view, but can be ordered nevertheless.
Designation	The designation contains the name of the part. If more than one of a part is present, then the number of parts is shown in brackets after the designation, e.g. (2x).
Ident.-No. (Identification Number)	The Ident.-No. is Heckler & Koch's internal number for identifying products and individual components.
Ident.-No. "black"	The Ident.-No. "black" is Heckler & Koch's internal number for identifying products and individual components in the colour "black".
Ident.-No. "RAL8000"	The Ident.-No. "RAL 8000" is Heckler & Koch's internal number for identifying products and individual components in the colour "RAL 8000 - green brown".
NSN (NATO Stock Number) – optional	The NATO Stock Number is an international code for the classification of products and individual components.

---

Information	Meaning
Quantity per 100 weapons – optional	This number indicates the recommended quantity to keep in stock per 100 weapons. The quantity includes both wearing parts and parts which may become lost. This information represents theoretical values based on experience, and may vary in practice.
Quantity per maintenance unit – optional	This number indicates the recommended quantity to keep in stock per maintenance unit. The quantity includes both wearing parts and parts which may become lost. This information represents theoretical values based on experience, and may vary in practice.
Comments	This column may contain additional information.

Parts and assembly groups can be ordered from Heckler & Koch by indicating the weapon, Designation and Ident.-No.
